

**Indiana Mechanical/Fuel Gas Code Review Committee
Meeting Minutes**

May 16, 2007

1. Present at the meeting were:

John Hibner, Indiana Department of Homeland Security
David Hannum, Chairman, Fire Prevention and Building Safety Commission
Brenda Dant, PHCC
Jeff Dean, City of Indianapolis
Adam Holman, City of Indianapolis
Brian Lancaster, City of West Lafayette
John Shimer, Indiana Propane Gas Association
Dave Donahue, Donahue Gas
Dan Bates, Allen County
Lawrence Lynch, City of Evansville
Scott Treeger, Output Sales Corporation

2. Discussion of the ICC Final Action Hearing in Rochester, New York. John Hibner will be attending and will communicate to the committee the results of the code change proposals the committee has adopted.
3. Consideration of Proposed Changes to the 2006 International Mechanical Code, as published by the International Code Council:
- MC-44-Tabled
MC-46-Tabled
MC-48-Tabled
MC-64-Approved
4. Discussion of commercial kitchen exhaust requirements of chapter 5 of the Mechanical Code. Several types of equipment require Type I or Type II hoods, which is not currently a requirement. Motion passed to leave the chapter as it reads.
5. Consideration of Proposed Changes to the 2006 International Fuel Gas Code, as published by the International Code Council:
- FG-28-Approved
FG 30 and 31-Approved as modified
FG 32-Approved as modified
FG 34-Approved
FG 35 and 36-Approved
FG 39-Not Approved
FG 40-Not Approved
FG 44-Approved
FG 45-Approved
FG-46 Approved
FG 54-Approved
FG 56-Approved
6. Discussion of CSST bonding and installation requirements. No changes to the current requirements made.
7. No future meeting scheduled. It was the consensus of the committee to wait until the Final Action Hearing in Rochester takes place before deciding whether another meeting is needed.
